

Live Well Work Well October 2024

Bridgewater-Raritan Regional Schools

What to Know About This Year's Flu Season

In the United States, [influenza \(flu\) season](#) lasts from October through May, with peak flu activity between December and March.

What's more, flu season in the Southern Hemisphere often indicates what's to come in the United States. Data revealed that the 2024 flu season in the Southern Hemisphere was similar to previous flu seasons. With the potential for this year's flu season to be severe in the United States, vaccination remains the most effective way to [prevent the flu](#), especially severe disease and hospitalization.

The U.S. Centers for Disease Control and Prevention (CDC) estimates that the flu caused between **9 million** and **41 million illnesses** annually between 2010 and 2023.

The CDC recommends that anyone aged 6 months and older get a flu shot every year.

- Avoid close contact with people who are sick and stay away from others when you feel unwell. Since flu, cold, and COVID-19 symptoms are similar, doctors suggest testing to know what you have.
- Wash your hands often using soap and warm water to protect against germs. If soap and water are unavailable, use an alcohol-based hand sanitizer.
- Cover your mouth and nose. Cough or sneeze into a tissue or elbow. Dispose of tissues immediately.
- Get seven to nine hours of quality sleep each night to boost your immune system.
- Exercise regularly to strengthen your body and build resiliency against infections like the flu.
- Stay hydrated. Eat a [nutritious diet](#) rich in whole grains, lean proteins, fruits, vegetables, and fiber.

Experts recommend getting vaccinated against the flu by the end of October—find a vaccine provider at [horizonblue.com](#). Find more wellness info at our *Benefits Online* website found at: Human Resources / Health Benefits.

How to Stay Healthy

The flu can cause serious complications for people of any age, but children and older adults are especially vulnerable. To help keep your household healthy this flu season, consider these tips:

- Get the flu vaccine. Being vaccinated against the flu is your best chance of preventing the illness.

Medicaid & CHIP Annual Notice

If you live in New Jersey, you/your dependents may be eligible for health coverage assistance from Medicaid or CHIP. See attached notice or visit [dol.gov](#) for information.

The Power of Breathwork

Breathwork, an ancient practice now embraced in modern wellness, benefits physical and [mental health](#). By consciously altering your breathing patterns, you can:

- **Reduce stress.** You'll activate the parasympathetic nervous system, promoting [relaxation](#) and reducing chronic stress.
- **Enhance focus.** Slow, deep breathing can improve your concentration and emotional resilience.
- **Boost overall health.** Breathwork positively impacts physical health, emotional well-being, and sleep quality.

Taking a few intentional breaths can make a difference, so try the techniques below.

Common Breathing Techniques

Equal breathing
Inhale and exhale for the same amount of time, such as breathing in for four seconds and out for four.

Box breathing
Mirroring the shape of a box, inhale for a count of four, hold for four, exhale for four and hold for four.

Deep breathing
For the 4-7-8 technique, breathe in for a count of four seconds, hold for seven and breathe out for eight.

Start Planning Now for a Stress-free Holiday Season

While the holiday season often brings joy, it can also cause stress for many individuals. Top holiday stressors include budgeting, managing multiple commitments, and finding the perfect gifts. Fortunately, getting organized and planning what you can do ahead of time can help reduce your holiday stress. Consider these tips:

- **Write down any known commitments.** Are you hosting a holiday dinner? Does your child's school have a seasonal concert? Making a list of your commitments will help you plan your time accordingly and avoid double-booking yourself.
- **Create your budget now.** If you're stressed about how your holiday spending will impact you after the season ends, you're not alone. Set and stick to a realistic budget. Remember that a gift's sentiment is more important than the cost.
- **Start shopping early.** Sometimes, you can get great deals on presents before the holiday season hits. Also, you can avoid the scenario (and stress) of not being able to get the gift you want because it's sold out.

Makes: 8 servings

Ingredients

- 2 tsp. olive oil
- 1 small yellow onion (chopped)
- 1 green bell pepper (chopped)
- 2 jalapeño peppers (finely chopped)
- 2 cloves garlic (finely chopped or ½ tsp. garlic powder)
- 1 lb. ground turkey
- 1 can low-sodium diced tomatoes
- 1 can pumpkin puree
- 1 cup water
- 1 tsp. ground cumin
- 1 Tbsp. chili powder
- Salt and black pepper (to taste)
- 1 can low-sodium kidney beans

Preparations

1. Heat the oil in a large pot over medium-high heat.
2. Add the onion, bell pepper, jalapenos, and garlic and cook, stirring frequently, until tender.
3. Add the turkey and cook until browned.
4. Add tomatoes, pumpkin, water, chili powder, cumin, salt, and black pepper; bring to a boil.
5. Reduce the heat to medium-low, then add the beans.
6. Cover and simmer for 30 minutes, stirring occasionally.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2026)
