

Prescription Coverage of the Garden State Plan

- **Generic Prescriptions:**

Retail Copayment (30-day supply) - \$5

Mail Order Copayment (90-day supply) - \$10

- **Brand Name Prescriptions:**

Retail Copayment (30-day supply) - \$10

Mail Order Copayment (90-day supply) - \$20

- **Prescriptions Protocols:**

Mandatory Generic – The cost to fill a brand name prescription when a generic equivalent is available is the difference in cost between the generic prescription and the brand name prescription, plus the brand name copay.

Step Therapy – Requires a trial of a lower cost prescription drug before the approval of the higher cost prescription, where clinically appropriate.
