

# CARD EXPERIENCE

**Discover one-card convenience and hassle-free reimbursements. It's the fastest, easiest way to access benefit funds.**

The hassles of carrying multiple cards and trying to remember which card pays for what are a thing of the past with the **TASC Card**. Just swipe this stacked card at the point of purchase and eligible expenses are paid automatically with smart technology to know which account to draw funds from. Every participating employee receives a TASC Card and has access to several value-added card features:

**TASC Card Decline Protection.** As a bonus, each TASC Card comes with card decline protection which means participants never have to deal with the hassle or embarrassment of having a card declined due to insufficient funds in a benefit or MyCash account. And if a participant doesn't have enough funds to cover a purchase, TASC will approve the transaction and pay the difference, then be reimbursed from the participant's bank account (up to a pre-authorized amount) linked to their TASC Card.

**MyCash.** When it's necessary to pay out-of-pocket and request a reimbursement, we make sure participants get their money back fast with MyCash. TASC deposits reimbursement payments directly into the linked MyCash account within 12 hours—faster than the speed of bank direct deposit. Participants can then use MyCash funds to cover non-benefit expenses everywhere Mastercard® is accepted or withdraw as cash from an ATM.

**TASC Card Lock.** If a TASC Card is lost or stolen, the participant can quickly disable it with TASC Card Lock online or via the TASC mobile app. If found, simply unlock the card to use it again.

**TASC Wallet.** This convenient organizer offers mobile and web access to the TASC Card with features like:

- **Card Management.** Stores image of TASC Card; lets participants lock a card, report lost/stolen cards, or request more cards.
- **Card Holder.** Stores digital images of other important cards (insurance cards, rewards cards – even a gym membership card).

The TASC Card is backed with seamless cross-channel customer care. Participants can get the help they need to manage their benefits and TASC Card through our website, mobile app, or call center.
