

***ANNOUNCING A NEW BENEFIT FOR
SOUTH BRUNSWICK SCHOOLS HEALTH PLAN MEMBERS***

While we all eagerly await the opening of the South Brunswick Partnership Health Center (SBPHC), effective immediately you can take advantage of just one of the many amazing benefits your coming health center has to offer.

We are pleased to announce a new benefit option for members of the South Brunswick Schools health plan community. **Effective immediately, the Partnership Health Centers in Toms River, Brick, and Long Branch will allow for full reciprocity of services to all those insured under the South Brunswick Township Schools health plan.**

What does this mean for you? It means that all covered employees and dependents will have the benefit of access to services at the existing Partnership Health Centers located in Toms River, Brick, *and* Long Branch, all with *no co-pays or deductibles*. This is a great benefit for members and dependents who want to take advantage of services offered at the Partnership Health Centers prior to your South Brunswick Partnership Health Center opening. This reciprocity between all three health centers will continue after the South Brunswick Partnership Health Center opens to give you more location options that are convenient for you.

We are confident members will enjoy the convenience of all three existing Partnership Health Centers. Most services at Partnership Health Centers are common, but there are some slight differences, depending upon district choice. For example, the Partnership Health Center in Toms River has a pediatrician; the
