

Warren Hills Regional Board of Education Medical Coverage Form
For Employees Selecting to Enroll in the NJ Direct 10 Plan
January 1, 2024 through December 31, 2024

If you wish to enroll in the NJ Direct 10 plan you can do so by paying the Chapter 78 contribution on the NJ Direct 15 plan and 100% of the premium cost differential between the NJ Direct 10 plan and the NJ Direct 15 plan. Those per paycheck premium dollar differences are listed below. Remember this cost is in addition to the Chapter 78 contribution on the NJ Direct 15 plan. The dollar amounts are based on the medical rates from January 1, 2024 to December 31, 2024 and do not include the Chapter 78 contributions for the medical and prescription plans. These are strictly additional medical contributions to be enrolled in the NJ Direct 10 plan. The below values are good through the 2024 calendar year.

Per Paycheck Differential Between NJ Direct 10 and NJ Direct 15 for both 10-month and 12-month employees.

Single - \$31.15 (10 month), \$25.96 (12 month)

Parent/Child – \$57.93 (10 month), \$48.28 (12 month)

Two Adult - \$62.29 (10 month), \$51.91 (12 month)

Family - \$89.07 (10 month), \$74.23 (12 month)

By signing the below, you are telling us you wish to enroll in the NJ Direct 10 and are aware that you will be paying the above amount (based on enrolled category) in addition to the Chapter 78 contribution on the NJ Direct 15.
