Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	\$1,500.00 Individual/ \$3,000.00 Family for combined in and out-of-network. Aggregate family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. Preventive care is covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes, \$50.00 for Prescription Drugs. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductibles</u> amount before this plan begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	Yes, For in-network Health/Pharmacy providers \$5,000.00 Individual/ \$10,000.00 Family. For out-of-network Health providers \$10,000.00 Individual/ \$20,000.00 Family. Aggregate family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	Premiums, <u>balance-billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. For a list of in-network <u>providers</u> , see www.HorizonBlue.com or call 1-800-355-BLUE (2583)	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Do you need a **referral** to see a **specialist**?

No. You don't need a referral to see a **specialist**.

You can see the **specialist** you choose without a **referral**.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
