

AVOID ANIMAL AND VEHICLE COLLISIONS

Follow these tips to stay safe on the road:

- **Remain alert and watch out for animals.**
 - Use your high beams at night.
 - Watch out for movement and shiny eyes on the side of the road.
 - Slow down at marked animal crossings.
 - Watch your speed, especially at dusk.
- **If you see an animal, slow down immediately.**
 - Sound your horn with a long blast to scare it away.
 - Do not swerve; you may hit a side rail or other vehicle or lose control.
 - Apply your brakes.
