# Commuter Transit Accounts

## And when we say “save”, we mean up to hundreds of dollars a year.

All you have to do to get going is decide how much to contribute (up to the allowed monthly limit). From there:

- Funds are moved from your paycheck and added to your account before taxes are deducted.
- As soon as funds are available in your account, you can start using them for qualified commuting expenses.
- You can pause or cancel contributions to your account at any time.

## It's easier than fighting traffic.

No matter where you go, it's easier to pay.

### Public Transit Options:

- Have monthly transit passes or tickets mailed to your home.
- Load funds onto your smart card.

## Start saving now. Like right now.

You don't need to wait for Open Enrollment. Just contact your benefits manager to get going.
